The course: 18 holes parkland, par 73, 6.534 meters, 600 mt. above sea level was designed in 1957 by John Morrison winding through dense woods of over hundred years old birches and beeches. It has always been recognized and appreciated by the most authoritative experts as a wonderful location, excellent design and really fast greens. During the past few years, many have become more and more convinced that also traditional courses, if well prepared, can compete with modern ones as their specific characteristics can be challenging also for the technology used in the new equipment.
