On behalf of the European Golf Association it is my pleasure to welcome all competitors, officials and supporters to the 2017 Vagliano Trophy and Junior Vagliano Trophy.

My thanks go to the Italian Golf Federation for organising this event, to the officials, staff and volunteers who work so hard to make this tournament so enjoyable for everyone.

I also extend my thanks to Bogogno Golf Resort and its members for making their superb golf course available for this championship.

This event is an important one as it brings together many of the best Junior Ladies and Ladies Amateur players in Europe and I am certain that all will be inspired to perform at the highest level of golf in a competitive and friendly manner.

My best wishes to all teams, officials and supporters. Have an enjoyable week and I hope you make many lasting friendships.

**EUROPEAN GOLF ASSOCIATION**  
**Jean-Marc Mommer**  
**President**

On behalf of the Italian Golf Federation, I would like to thank the European Golf Association to have allowed Italy to host the Vagliano Trophy and the Junior Vagliano Trophy, two prestigious tournaments played by the best young international players.

I would like to thank the President of Golf Club Bogogno and all the club's staff for having prepared a top level course.

Events such as Vagliano Trophy and Junior Vagliano Trophy are a showcase for all our movement that after obtaining Ryder Cup 2022 is focused on ambitious targets. These tournaments will give a great contribution to the development of women's golf. I am sure the players will highlight the spirit of golf and carry a message of international unity.

The Italian Golf Federation is very focused on the growth of amateur players as witnessed by the excellent results achieved in the last few years, by the presence of four Italian players in the two European teams and by the confirmation of Anna Roscio as captain of the team. We consider this a further reward to our federation. I wish all players a week of fun and fair play and also wish them to achieve great results in their future professional career.

**FEDERAZIONE ITALIANA GOLF**  
**Franco Chimenti**  
**President**

On behalf of all Golf Club Bogogno I have the honour to welcome to our Club the representatives of the European Golf Association, the Italian Golf Federation, the Captains, players and all those involved in the organisation of the Vagliano Trophy and Junior Vagliano Trophy.

I would like also to greet all those who came here to see live what seems to be a really great golf tournament.

I would like to thank the European Golf Association to have allowed Golf Club Bogogno to host such a prestigious event attended by all the best European players.

This tournament is a tribute to the Vagliano family, who have always work hard to promote and develop golf, especially women's golf.

I am sure we will have a tournament that will show how spectacular our sport is and highlight its typical values: fairness and loyalty. I hope the course - that has been carefully prepared for this occasion - will allow all players to play at their best, be competitive and have fun.

I hope you will have a great week at Golf Club Bogogno and wish you all the best of luck.

## VAGLIANO TROPHY

### TOURNAMENT HISTORY

The Vagliano Trophy was presented to the Comité des Dames de la Fédération Française de Golf and the Ladies' Golf Union by Monsieur A. A. Vagliano, originally for annual competition between teams from France and Great Britain and Ireland. Since 1959, by mutual agreement, the competition has been a biennial one between teams from the Continent of Europe, Great Britain and Ireland.

### SYSTEM OF PLAY

The match consists of four foursomes and eight singles of 18 holes on each of the two days. The foursomes matches are played each morning and the singles in the afternoon. A win counts as one point, a half yields half a point and a lost match returns zero. In the event of a tie, the trophy shall be retained by the holders.

## JUNIOR VAGLIANO TROPHY

### TOURNAMENT HISTORY

The Junior Vagliano Trophy was created in January 2011 by the LGU and the European Golf Association and was first played in June the same year. The event provides an ideal platform for introducing talented young golfers to the pressures and pleasures of team match play golf and helps supporting Girls' elite Golf. The JVT is played at the same time as the ladies' equivalent, the biennial Vagliano Trophy match.

### SYSTEM OF PLAY

12 girls, aged 16 and under, going head to head in four sets of matches over a two day period. All team members will play in two sets of three foursomes and two sets of six singles matches.
